Campus Station, WNTC, will broadcast the traditional candle-light Christmas Concert to be presented on Tuesday evening, December 14, at 8 P.M. The concert will be presented in the Potsdam State Teacher's College auditorium.

The program consists of groups of Christmas selections performed by the collegiate singers under the direction of Mr. Elheran. Included in this group are the "Hallelujah Chorus" and several familiar Christmas carols.

Mr. Richard, a PSTC faculty member, will sing two baritone solos titled "Christ Child Asleep" by Hugo Wolfe and "Mighty Lord and King" by Bach.

In addition, several organ selections will be played with Dr. Edward Young at the organ. These selections will include "Kentucky Christmas" by Faxton, "Christmas Pastoral" by Corelli, and "Fugue on a Christmas Carol" by Bach.
